

Piknboard

The Problem? How to add percussive textures to your acoustic guitar playing? The Answer is Piknboard! A mini washboard shaped device which attaches to the guitar face. The Piknboard is designed to be played with the same stroke used to play the guitar strings adding additional percussive sound and texture.

Gibson's Learn & Master Guitar

Gibson's Learn & Master Guitar includes ten instructional DVDs, five Jam-along CDs, 100+ page lesson book, and online support. Designed for those wanting to learn guitar from the ground up, you'll start with fundamentals (how to strum, use a pick) and progress to advanced skills (soloing, playing up and down the neck)—all while learning musical styles (rock, blues, jazz, fingerstyle, and country).
